

EMPLOYMENT POLICY

Kazi Technologies Ltd – Uganda

1.1 Employment Types

Kazi Technologies Ltd recognizes multiple forms of employment to support operational flexibility while ensuring fairness and compliance with Ugandan labor standards.

1.1.1 Full-Time Employees

Full-time employees are engaged on a permanent basis and are expected to work standard company hours.

Terms:

- Work 40–45 hours per week
 - Eligible for full company benefits (leave, NSSF, bonuses)
 - Entitled to paid leave and statutory protections
 - Must adhere to all company policies and performance standards
-

1.1.2 Part-Time Employees

Part-time employees work fewer hours than full-time employees.

Terms:

- Work less than 40 hours per week
 - Compensation is prorated based on hours worked
 - May receive limited benefits depending on contract terms
 - Leave entitlements are calculated proportionally
-

1.1.3 Contract Employees

Contract employees are hired for a fixed duration or specific project.

Terms:

- Governed by a signed contract agreement
 - Not entitled to full employee benefits unless specified
 - Payment structure defined in contract (monthly, milestone-based, etc.)
 - Contract automatically ends upon completion or expiry unless renewed
-

1.1.4 Interns

Interns are engaged for training and development purposes.

Terms:

- Duration typically 3–6 months
 - May receive stipend or allowance
 - Not classified as permanent employees
 - Expected to follow company rules and confidentiality standards
-

1.2 Probation Period

All new employees undergo a probationary period to assess suitability for the role.

1.2.1 Duration

- Standard probation period: **6 months**
-

1.2.2 Evaluation During Probation

Employees will be evaluated based on:

- Job performance
 - Attendance and punctuality
 - Behavioral alignment with company values
 - Ability to meet KPIs
-

1.2.3 Extension of Probation

- Probation may be extended by **up to 3 months**
 - Extension is applied when:
 - Performance is borderline
 - More time is needed for evaluation
-

1.2.4 Confirmation of Employment

- Upon successful completion, employee receives written confirmation
 - Gains full employment status and benefits
-

1.2.5 Termination During Probation

- Either party may terminate employment with shorter notice (e.g., 1 week)
 - No obligation for full notice period during probation
-

1.3 Working Hours

Kazi Technologies Ltd maintains structured working hours to ensure productivity and work-life balance.

1.3.1 Standard Working Schedule

- Monday to Friday
 - 8:00 AM – 5:00 PM
 - Includes a **1-hour lunch break**
-

1.3.2 Flexibility

- Flexible start/end times may be approved by management
 - Employees must still complete required daily hours
-

1.3.3 Overtime

- Overtime must be **pre-approved**
 - Compensated according to payroll policy
 - Not guaranteed and subject to operational need
-

1.3.4 Attendance Requirements

Employees must:

- Report to work on time
 - Notify supervisors in case of lateness or absence
 - Record attendance where required
-

1.3.5 Public Holidays

- Employees are entitled to Ugandan public holidays
 - Work on public holidays must be approved and compensated
-

1.4 Remote Work Policy

Kazi Technologies Ltd supports flexible working arrangements where appropriate.

1.4.1 Eligibility

Remote work is:

- Not automatic
 - Granted based on:
 - Role suitability
 - Performance history
 - Manager approval
-

1.4.2 Approval Process

- Employee submits request to supervisor
 - Supervisor evaluates:
 - Productivity impact
 - Team collaboration needs
 - Final approval documented
-

1.4.3 Expectations While Working Remotely

Employees must:

- Be available during working hours
 - Respond to communication promptly (email, Slack, etc.)
 - Attend virtual meetings
 - Deliver assigned tasks on time
-

1.4.4 Equipment and Connectivity

- Employees are responsible for:
 - Reliable internet connection
 - Safe working environment
 - Company may provide equipment where necessary
-

1.4.5 Performance Monitoring

- Output-based evaluation (not just hours)
 - Managers may revoke remote privileges if:
 - Performance drops
 - Communication is poor
-

1.4.6 Data Security

While working remotely:

- Employees must use secure connections
- Company data must not be shared or exposed
- Devices must be protected with passwords
