

IT & DATA SECURITY POLICY

Kazi Technologies Ltd – Uganda

9.1 Purpose of the IT & Data Security Policy

Kazi Technologies Ltd is committed to protecting company systems, digital assets, employee information, and client data from unauthorized access, misuse, disclosure, disruption, or loss.

This policy establishes standards for:

- Secure use of company technology
- Protection of confidential information
- Responsible system access
- Compliance with data protection requirements

All employees, contractors, interns, and authorized users must comply with this policy.

9.2 System Access

Access to company systems and data is granted strictly based on business needs and employee roles.

9.2.1 Role-Based Access

Employees are granted access only to:

- Systems necessary for their duties
- Authorized company resources
- Approved data and applications

Access permissions are determined by:

- Job role
 - Department responsibilities
 - Management approval
-

9.2.2 Unauthorized Access

Employees must not:

- Access systems without authorization
- Attempt to bypass security controls
- Access another employee's account or information
- Share credentials or login sessions

Unauthorized access attempts may result in disciplinary action or legal consequences.

9.2.3 Access Reviews

The company may periodically review:

- User permissions
- Access logs
- Security privileges

Access rights may be modified or revoked where necessary.

9.2.4 Account Deactivation

Employee access may be suspended or removed:

- Upon resignation or termination
 - During investigations
 - When roles change
 - Where security concerns arise
-

9.3 Password Policy

Strong password practices are essential to maintaining company security.

9.3.1 Password Requirements

Employees must use passwords that:

- Are difficult to guess

- Contain a combination of letters, numbers, and symbols
- Meet minimum length requirements defined by IT

Weak or predictable passwords are prohibited.

9.3.2 Password Confidentiality

Passwords:

- Must never be shared
- Must not be written in insecure locations
- Must not be sent through unsecured communication channels

Employees are responsible for all activity performed under their accounts.

9.3.3 Password Updates

Employees may be required to:

- Change passwords periodically
 - Reset compromised passwords immediately
-

9.3.4 Multi-Factor Authentication

Where implemented, employees must comply with:

- Multi-factor authentication requirements
 - Additional security verification procedures
-

9.4 Data Protection

Kazi Technologies Ltd is committed to protecting personal and confidential information in compliance with applicable data protection laws and organizational standards.

9.4.1 Confidential Data

Protected data may include:

- Employee records
 - Payroll information
 - Client information
 - Financial records
 - Contracts
 - Business strategies
 - Technical documentation
-

9.4.2 Data Handling Responsibilities

Employees must:

- Access only authorized data
 - Store information securely
 - Avoid unnecessary duplication of sensitive data
 - Dispose of confidential records appropriately
-

9.4.3 Sharing of Data

Sensitive information must not be:

- Shared externally without authorization
 - Uploaded to unauthorized platforms
 - Discussed publicly or insecurely
-

9.4.4 Data Breach Reporting

Employees must immediately report:

- Suspected data breaches
- Lost devices
- Unauthorized disclosures

- Security incidents

Failure to report security incidents promptly may result in disciplinary action.

9.4.5 Remote Access Security

Employees working remotely must:

- Use secure internet connections
 - Protect company devices
 - Avoid accessing company systems on insecure public networks where possible
-

9.5 Acceptable Use of Company Systems

Company systems and technology resources are intended primarily for legitimate business purposes.

9.5.1 Permitted Use

Employees may use company systems for:

- Official company duties
- Approved business communication
- Authorized operational activities

Reasonable personal use may be permitted provided it:

- Does not affect productivity
 - Does not violate company policies
 - Does not create security risks
-

9.5.2 Prohibited Activities

Employees must not use company systems for:

- Illegal activities
- Fraudulent conduct

- Harassment or discrimination
 - Accessing offensive or harmful content
 - Unauthorized software installation
 - Hacking or malicious activities
 - Distribution of malware or viruses
-

9.5.3 Monitoring and Auditing

The company reserves the right to:

- Monitor network activity
- Audit system usage
- Review company-issued devices and communication systems

Monitoring is conducted for:

- Security purposes
 - Compliance verification
 - Operational integrity
-

9.5.4 Software and Device Usage

Employees must not:

- Install unauthorized software
- Disable security tools
- Modify company systems without approval

Only approved software and hardware may be connected to company systems.

9.6 Email and Communication Security

Employees using company communication systems must:

- Communicate professionally

- Avoid phishing scams and suspicious links
- Report suspicious emails to IT immediately

The use of company email for spam, scams, or harmful communications is prohibited.

9.7 Policy Violations

Violations of this policy may result in:

- Revocation of system access
 - Disciplinary action
 - Financial liability
 - Legal action
 - Termination of employment
-

ATTENDANCE POLICY

Kazi Technologies Ltd – Uganda

10.1 Purpose of the Attendance Policy

Kazi Technologies Ltd recognizes that consistent attendance and punctuality are essential for operational efficiency, teamwork, and service delivery.

Employees are expected to:

- Report to work consistently and on time
 - Fulfill scheduled working hours
 - Communicate attendance-related issues responsibly
-

10.2 Punctuality

Employees must report to work at scheduled times and remain available during official working hours.

10.2.1 Standard Working Hours

Standard company working hours are:

- Monday to Friday
 - 8:00 AM to 5:00 PM
 - Including a one-hour lunch break
-

10.2.2 Late Arrival

Employees who expect to arrive late must:

- Notify supervisors as early as possible
- Provide reasonable explanation where necessary

Repeated lateness may result in disciplinary action.

10.2.3 Early Departure

Employees must obtain supervisor approval before:

- Leaving work early
 - Leaving during working hours for personal reasons
-

10.3 Absenteeism

Employees are expected to maintain regular attendance and communicate absences responsibly.

10.3.1 Planned Absence

Where possible, employees should communicate planned absences in advance for:

- Leave
 - Medical appointments
 - Personal commitments
-

10.3.2 Unplanned Absence

Employees unable to report to work unexpectedly must:

- Notify supervisors promptly
 - Provide explanation and expected return date where possible
-

10.3.3 Excessive Absenteeism

Repeated unexplained absences or attendance issues may result in:

- Performance review
 - Disciplinary action
 - Further investigation
-

10.4 Time Tracking

Employees are required to accurately record attendance and working time using approved systems.

10.4.1 Daily Attendance Logging

Employees must:

- Log attendance daily
 - Record arrival and departure times where required
-

10.4.2 Accuracy of Records

Falsification of attendance records is strictly prohibited and may result in disciplinary action.

10.4.3 Remote Work Attendance

Employees working remotely must:

- Remain available during working hours
- Participate in required meetings
- Maintain communication with supervisors

10.5 Attendance Monitoring

Management and HR may monitor attendance patterns to:

- Ensure operational efficiency
 - Address recurring attendance concerns
 - Support workforce planning
-

10.6 Attendance Compliance

Employees are expected to:

- Maintain dependable attendance
- Cooperate with attendance procedures
- Communicate responsibly regarding absences

Failure to comply with attendance expectations may affect:

- Performance evaluations
 - Promotion opportunities
 - Employment status
-

TERMINATION POLICY

Kazi Technologies Ltd – Uganda

11.1 Purpose of the Termination Policy

Kazi Technologies Ltd aims to ensure that employee separations are managed fairly, professionally, and in compliance with applicable labor laws.

Termination of employment may occur through:

- Resignation
- Redundancy
- Retirement

- Misconduct
 - Performance-related dismissal
 - Expiry of contract
-

11.2 Notice Period

Employees and the company are expected to provide notice before termination except where immediate dismissal is justified by gross misconduct.

11.2.1 Employee Notice

Employees are generally required to provide:

- One month written notice before resignation
-

11.2.2 Employer Notice

The company will generally provide:

- One month notice before termination

or payment in lieu of notice where applicable.

11.3 Exit Process

Employees separating from the company must complete formal exit procedures.

11.3.1 Return of Company Property

Employees must return:

- Laptops
- Access cards
- Documents
- Equipment
- Company devices
- Confidential materials

before final clearance.

11.3.2 Clearance Procedures

Employees may be required to complete:

- Departmental clearance
 - Financial reconciliation
 - Knowledge transfer where applicable
-

11.3.3 Final Dues

Final payments may include:

- Outstanding salary
- Approved leave balances
- Reimbursements

Final dues are generally processed within 30 days subject to clearance completion.

11.4 Grounds for Termination

11.4.1 Resignation

Employees may voluntarily resign by submitting written notice.

11.4.2 Redundancy

The company may terminate positions due to:

- Operational restructuring
- Financial constraints
- Organizational changes

Where possible, redundancy processes will be handled fairly and transparently.

11.4.3 Misconduct

Employment may be terminated due to:

- Gross misconduct
 - Repeated disciplinary violations
 - Serious breach of company policies
-

11.4.4 Poor Performance

Employees who consistently fail to meet performance standards despite support and corrective measures may face termination.

11.5 Exit Interviews

The company may conduct exit interviews to:

- Gather employee feedback
- Improve workplace practices
- Understand reasons for separation

Participation may be encouraged but is generally voluntary.

11.6 Confidentiality After Termination

Employees remain bound by confidentiality obligations even after employment ends.

Former employees must not:

- Share confidential information
 - Retain unauthorized company records
 - Misuse company intellectual property
-

EQUAL OPPORTUNITY POLICY

Kazi Technologies Ltd – Uganda

12.1 Purpose of the Equal Opportunity Policy

Kazi Technologies Ltd is committed to creating an inclusive, respectful, and fair workplace free from discrimination and unfair treatment.

Employment decisions are based on:

- Merit
 - Qualifications
 - Skills
 - Experience
 - Business needs
-

12.2 Non-Discrimination

The company prohibits discrimination based on:

- Gender
- Religion
- Ethnicity
- Disability
- Age
- Nationality
- Marital status

Discrimination in recruitment, promotion, compensation, training, or disciplinary processes is prohibited.

12.3 Equal Employment Practices

The company is committed to:

- Fair recruitment practices
- Equal access to opportunities
- Objective performance evaluations

- Inclusive workplace policies
-

12.4 Harassment-Free Workplace

Harassment, bullying, intimidation, or victimization of employees is prohibited.

Employees are encouraged to report discrimination or harassment concerns without fear of retaliation.

12.5 Reasonable Accommodation

Where reasonably possible, the company may provide accommodations for employees with disabilities or special needs.

GRIEVANCE POLICY

Kazi Technologies Ltd – Uganda

13.1 Purpose of the Grievance Policy

Kazi Technologies Ltd encourages open communication and fair resolution of workplace concerns.

Employees are encouraged to raise grievances relating to:

- Workplace conflict
 - Harassment
 - Discrimination
 - Unfair treatment
 - Policy violations
 - Working conditions
-

13.2 Reporting Issues

Employees may report grievances through:

- Immediate supervisors

- HR department
- Authorized management channels

Grievances should be reported as early as possible to support timely resolution.

13.3 Resolution Process

The company will aim to resolve grievances fairly and confidentially.

Step 1: Investigation

HR or management may:

- Gather information
 - Conduct interviews
 - Review evidence
-

Step 2: Mediation

Where appropriate, mediation or facilitated discussions may be used to resolve disputes.

Step 3: Resolution

The company will communicate outcomes and proposed actions within a reasonable timeframe.

13.4 Protection Against Retaliation

Employees who raise grievances in good faith will not face retaliation, victimization, or unfair treatment.

TRAVEL & EXPENSE POLICY

Kazi Technologies Ltd – Uganda

14.1 Purpose of the Travel & Expense Policy

Kazi Technologies Ltd supports business travel and reimbursable expenses necessary for official company operations.

Employees are expected to:

- Spend responsibly
 - Follow approval procedures
 - Maintain accurate expense documentation
-

14.2 Business Travel

14.2.1 Approval Requirements

Business travel must be:

- Pre-approved by management
 - Directly related to official business purposes
-

14.2.2 Travel Arrangements

Travel arrangements may include:

- Flights
- Accommodation
- Ground transportation
- Conference registration

The company may determine preferred vendors or booking procedures.

14.2.3 Employee Conduct During Travel

Employees traveling for business are expected to:

- Maintain professional conduct
- Comply with company policies
- Protect company property and information

14.3 Expense Claims

Employees seeking reimbursement must:

- Submit expense claims promptly
- Include supporting receipts and documentation
- Use approved expense claim procedures

14.3.1 Reimbursable Expenses

Approved expenses may include:

- Transportation
- Accommodation
- Meals
- Communication expenses
- Business supplies

14.3.2 Non-Reimbursable Expenses

The company may refuse reimbursement for:

- Personal expenses
- Unauthorized purchases
- Excessive or unreasonable costs
- Unsupported claims without receipts

14.3.3 Reimbursement Timeline

Approved reimbursements are generally processed within:

- 14 working days

subject to submission of complete documentation.

14.4 Fraudulent Claims

Submitting false or misleading expense claims may result in:

- Disciplinary action
- Repayment obligations
- Termination of employment
- Legal action where necessary
